Mr Rodney De Souza, Head of Strategic Partnerships and Legal Affairs of the World Organisation for Animal Health (OIE) attended the annual workshop organised by the Forum on Institutional Law in International Organisations (FILIO) in Luxembourg City on 9-10 May 2019.

During this two-day workshop, legal advisors of international organisations discussed a variety of recent developments, ranging from the European Union General Data Protection Regulation (GDPR) to challenging court cases pertaining to privileges and immunities. Panel speakers included legal advisors from the International Monetary Fund (IMF), the World Bank (WB) and the Organisation for Economic Co-operation and Development (OECD).

The OIE is an international organisation created in 1924 with a mandate from its 182 Member Countries to improve animal health and welfare. Its activities are permanently supported by 312 centres of scientific expertise and 12 regional offices with a presence on every continent.
